## FROM THE CHAIR

It has been a long hot summer - not really (mostly cooler temperatures and above average rain totals). The Dog-Days have finally arrived though and with it 90 degree temps with matching humidity. This time of year always has me looking forward to the turning of the leaves and the crisp cool nights of fall. Its also a great time to enjoy walks through the neighborhood and those impromptu conversations with those you don't get to see very often.

The LPNA has had a very successful year thus far. We are just about to begin on the reconstruction of the columns on Spring Garden St., we've had trees planted in the park and we had a great Spring Fling and National Night Out celebrating the cohesiveness of our great neighborhood. I want to thanks those on the Exec. Board that have worked in the background to make all of those the success they've been.

With fall, we look forward to our Chili Cook-off in October. This is one of my favorite get-togethers we have as an Association. It is the largest gathering of people with lots of good conversation. There is great chili to sample and the weather is generally awesome. We bring fire pits and stick around long after dark. Even with the large crowds though, I know there is many that live in the neighborhood that do not attend the social events. I would extend a special invitation to you to come and enjoy the chili this year - and while you are at it, introduce yourself to someone you don't know. I guarantee you will have at least one thing in common - you both live in a very special neighborhood.

### "Respect Our Trees" Signs

## BIG SWEEP

Each fall, Greensboro Beautiful volunteers clean litter from our community's lakes, creeks and streams as part of the NC Big Sweep Waterway Litter Pickup. Volunteers from scout troops, community organizations, churches, schools, businesses, and families take part in the cleanup, showing our community's concern for cleaner waterways.

This year's Big Sweep will be held **September 21 from 9AM-noon.**

## GENERAL MEETING MINUTES

### Minutes - May 28, 2013 Lindley Park Neighborhood Association General Meeting

The meeting was called to order at 7:06pm by Larry Barnes. Larry welcomed everyone for the May General Meeting - and let the group know the minutes from the January General Meeting were approved by executive committee and posted in the February edition of columns.

April executive committee minutes - motion by Virginia to accept and seconded by Frank.

Treasurer's Report - Blake Sagar - we spent \$530 for the Spring Fling (band, grill rental, meat) and have \$3,900 in our account. Larry is working on a budget so we can better plan for recurring items and events.

We welcomed Officer Jim Clayton (our community resource officer) and Captain Joel Cranford (the Central Division Commander) who discussed how the police department functions as a resource for us. Officer Clayton may be reached at 336-412-3919 if anyone has questions or need follow up. He let us know of recent car break-ins and reminded us to keep cars locked and valuables out of sight.

Captain Cranford said one of his and his team's goal is to engage at the neighborhood level, drive crime stats down and head off problems. He agreed there are no noticeable crime trends in our area other than car larceny - especially around the UNCG area. He let us know that if we have an issue and aren't sure who in the city to contact - we can start with the police and they will help reach out to the correct city department.

Please keep passing on information - it is helpful to the police in identifying trends before they become bigger problems. When in doubt - call - and if you're not sure if you have an emergency or not - call 911.

We appreciate their answering specific questions and look forward to working with them to keep Lindley Park safe!

New Business - Sue Sassman and Jocelyn Moon spoke about the Summer Solstice on Saturday, June 22nd in the Arboretum. Old Business - in the April executive committee meeting, we discussed communication and created an ad hoc committee to make a recommendation for consistent communication on our email list-serve, facebook page, and website.

Email List-serve is for Chair use only and will be used for general neighborhood communication and immediate need situations.

Facebook is open to anyone to post - official Lindley Park posts will be directed by the Chair and show up as Lindley Park.

Lindley Park Website shows a feed from our facebook page and will include a regular article taken from the most recent Columns edition. We will also continue posting a link to our Columns newsletter.

Column Repair - we have received two grants for \$6,000 and \$12,000 to repair our columns. The plan is for work to begin in July.

Duke Energy - there were 4 resolutions before City Council and the ordinance will probably pass.

Yard Sale - we made \$250 for the column repair fund (to supplement the grants).

### Committee Reports

**Zoning** - Bill Schneider - no new report

**Public Works** - Virginia Driscoll - recommended that Steve Drew, the head of Water Resources, speak at the fall General Meeting. If anyone has a suggestion, please email Virginia.

**Social Committee** - Josh Sherrick - Spring Fling was awesome! Thanks to everyone who helped make it a success. We've begun the Fall Fest/Chili Cook-off planning.

**Parks & Rec** - Barry Goldman - in an effort to dry up a wet area in the corner of Willowbrook and Springwood, 12 trees were planted, 6 cypress and 6 river birch.

During the parks & rec report, Bill Eckard recommended we honor long time residents Bud and Virginia Nash with a bench near Sherwood and Willowbrook and asked for a donation of \$750 from LPNA to help pay the \$1,500 cost. Other deserving long time residents were brought up and we will consider putting together an ad hoc committee to gather information and make a recommendation.

**Public Safety** - Steven Way - again, a reminder that if there is a time you think you should report something to the police - please call it in!

**Ways & Means** - Frank Brooks - no new report

**Environmental** - Elizabeth Link - no new report

**District Reports** - no new reports

**Newsletter** - Jeri Henderson / Diane Gackenbach - it was suggested to have someone write an article about the columns to continue to drive fundraising (communicate the goal perhaps).

The meeting was adjourned at 8:42pm.

**GOOD, CHEAP, FAST**

This new Columns section will include recipes that are as the title indicates (good, cheap and fast) and are favorites at our house.

Hope you try them and enjoy as much as we do!

**Easy Key Lime Pie**

When we lived in Florida, we had a huge key lime tree and made key lime pie regularly. This recipe tastes surprisingly similar to the real thing and is perfect for hot summer days or anytime you need a taste of summer.

(Contributed by Jeri Henderson)

Serves 6

- 1-14oz can sweetened condensed milk
- 1-6oz can frozen limeade (not thawed)
- 1 cup heavy cream
- 1-6oz graham cracker piecrust
- Zest of 1 lime

Place the condensed milk, frozen lime-ade concentrate and cream in the bowl of an electric mixer fitted with the whisk attachment.

Beat until fluffy and soft peaks form.

Pour the filling into the piecrust and smooth the top.

Refrigerate until chilled and loosely set (at least 4 hours and up to overnight).

Top the pie with the zest before serving.

## SPRING FLING 2013

This annual event gives Lindley Park neighbors a chance to be together, enjoy great food and music and celebrate warmer weather in our beautiful park. Rain almost put a damper on the festivities but fortunately, skies were merely overcast which helped keep it cool.

Spring Fling 2013 was a great success, thanks to Josh and the social committee and numerous volunteers who made it happen. Special thanks go to grillmeisters Blake and Kristin Sagar for keeping everyone full of burgers and dogs and also to the band Easy Greens for entertaining us with great tunes.

Remember, your donations to LPNA help make this and other events throughout the year possible. Thank you, LPNA contributors and our neighbors, since people are what make Lindley Park a wonderful place to live!

Autumn leaves, cool weather, the Chili Cook-off...already? The Annual Lindley Park Chili Cook-off may seem a long way off but it will be here before you know it. Mark your calendar for **October 12, 4 -7PM.**

With live music from the UNCG Old Time Ensemble, socializing, and of course, chili prepared by our talented Lindley Park neighbors!

Participating chefs will prepare chili in one of three categories- traditional, non-traditional and vegetarian. Winners will receive prizes, and of course, neighborhood bragging rights. Last year we had over 20 delicious entries!

## MARK YOUR CALENDAR: CHILI COOK-OFF OCT 12

Register your chili online at [www.lindleyparknc.com/chili-cook-off](http://www.lindleyparknc.com/chili-cook-off)

Not much of a cook? That's OK, we still need folks to bring the fixin's, such as: cornbread, shredded cheese, sour cream, hot sauce, or any other fixin' of your choice!

We'll also need something sweet to go with the spicy, so don't forget to bring a dessert, too!

Bowls, napkins, cups, and utensils will be provided, but in an effort to reduce waste, please consider bringing your own bowl (BYOB), and spoon!

## FIRST MORAVIAN CHURCH OFFERS A NEIGHBORLY WELCOME

No doubt you've seen the traffic jams on South Elam during the first weekend in December, and noticed folks in 18th century costume scurrying around the campus of First Moravian Church. Chances are good that you have attended their Candle Tea, held that weekend for the last 50 years to demonstrate long-standing Moravian Christmas customs and preparations. (Surely you've bought a chicken pie or some apple dumplings!?) Maybe you are among the many neighbors who attend one of three candle-light Lovefeast services each Christmas Eve. Or perhaps you've been awakened by the church's brass band greeting the sunrise on Easter morning.

What you may not know about First Moravian Church, which straddles the Lindley Park and Sunset Hills neighborhood, is that it is part of a worldwide Protestant denomination that traces its roots back before Luther's reformation to the followers of a Czech priest, John Hus, who was martyred in 1415.

The Moravian Church is a mainline Protestant denomination that encompasses a wide range of viewpoints - as reflected in its motto: "In essentials unity; in non-essentials liberty; in all things love."

While there are many Moravian churches in Winston-Salem, First Moravian, which celebrates its 105th anniversary on October 6, 2013, is the first and only one in Greensboro. The congregation moved from its original location on Lee Street to its present spot at 304 South Elam in 1937.

Since that time it has maintained and increased an active presence that includes classes for all ages at 10:00 a.m., followed by an 11:00 a.m. worship service every

Sunday. Fellowship and service opportunities abound during the week, including regular Wednesday night suppers, elementary, middle and senior high youth programs, monthly men's and women's fellowship meetings, monthly "Prime Timers" outings for those fortunate enough to be in AARP age range, choir and handbell rehearsals, and more. Members collect food for the Servant Center, cook and serve dinner at the Greensboro Urban Ministry night shelter, deliver Mobile Meals, and support a slew of other local and foreign outreach programs such as Pathways, Stop Hunger Now, the Heifer project and many others. (The current goal is to buy a motor scooter for a pastor who has to cover a lot of ground in Tanzania!)

Two items recently added to the church calendar offer a special welcome to neighborhood friends and families:

On the last Saturday of most months, children ages 3 - 12 are welcome to attend an evening of fun programs at the church from 6:00 to 9:00 p.m. - while their parents enjoy a FREE Parents' Night Out. Call text, or email Julie at 336-932-0576 / jules27320@yahoo.com for details and reservations.

And on the third Sunday of each month, anyone interested in an informal, participatory worship experience is invited to the church's fellowship hall at 9:00 a.m. for coffee and a breakfast snack, some lively, casual music, and a discussion (rather than a sermon) based on the day's Scripture readings. This new service, which is called Worship As You Are, welcomes all ages and extends the church's vision statement: United in Christ, Reaching out in love, Changing lives.
